General Fee Information (as of 11/1/2007):

One-time trip charge..... \$60.00
Floor plans, lighting plans, & space planning..... \$70.00/hr
Consultation, personal shopping, accessorizing, and general
selections.....\$60.00/hr

Hours are kept for all time on projects. This may include but is not limited to meetings, time spent on selections, outside shopping, travel time, work orders, cost estimates, spec sheets, any other necessary paperwork, etc...

Time sheets are kept for each customer and are available for review upon request.

Customers may put a “cap” on time by requesting to be informed before reaching a specific amount of hours or monetary limit.

A percentage of these hourly charges may be credited toward purchases at the following rate:

<u>product purchased</u>	<u>percentage credited on time</u>
\$5000	less 10%
\$7500	less 20%
\$10000	less 40%
\$10000 +	to be agreed upon by customer and designer

(For example: A project taking 4 hours basic design time @ 60.00 with the client spending \$5000 on product would cost \$5000 plus (\$240 – 10%) a \$216 design fee.

The above information is the general fee structure for *the studio*. Any changes regarding charges are left to the designer’s discretion but will be discussed in detail and agreed upon with customer prior to work beginning.

Thank you! We look forward to working with you!
